Very Good

Skills

Computer Skills

MS Office

Qualities

- Creativity
- Problem solving
- Decision making skills.
- communication skills
- Ability to work under pressure.
- Teamwork

Education

- B.Sc. Biology /College of Science
Baghdad University, Baghdad | 2011 - 2012
- M.Sc. Microbiology /College of Science
Baghdad University, Baghdad | 2013 - 2014
Title Thesis: Impact of DNase purified from Staphylococcus aureus on Biofilm of Klebsiella pneumoniae and Escherichia coli.
- Ph.D. Microbiology /College of Science
Baghdad University, Baghdad | 2017 - 2018
Title Thesis: Fibronectin binding protein genes expression in respect to biofilm formation in Methicillin resistance Staphylococcus aureus

Current Work

- Alfarahidi University
Teaching at the College of Medical Technology | 2019 - Present

Publications

- Paper in the Journal of Eurasian Scientific Herald
Review: Down's Syndrome- causes and clinical manifestation
- Paper in the Journal of Annual Research & Review in Biology
The Role of Biofilm Formation in Antibiotic Resistance of Bacteria Isolated from Saliva of Patients with Dental Caries
- Paper in the Scientific Research Journal of Medical Science
Patau Syndrome, prevalence and natural history
- Paper in the Journal of Contemporary Medical Sciences
A Potential Role of Extracellular DNA in Biofilm and Ciprofloxacin Resistance.
- Paper in the Journal of Global Pharma Technology
- The Dual Role of Gentamicin in Gene Expression of Fibronectin Binding Proteins in Staphylococcus Aureus

Participation Certificates

- 1st International Conference in Forensic science
Alfarahidi University, College of Medical Technology | 2023
- Genetic diseases in children
Tikrit University, Continuing Education Center | 2023
- Use the Spss Program
Tikrit University, Continuing Education Center | 2023
- Publishing in reputable journals
Central Technical University, Continuing Education Center | 2023
- Methods of developing scientific research
Ministry of Higher Education and Scientific Research | 2023
